I was very much saddened when Fletcher informed me of
Rosanne's death. Though I hadn't seen her in many years, I'll never
forget her as a class-mate, neighbor and good friend. She will be

“ Pete, Carol and family. All of us understand that at some point in life, we will lose our parents. Losing a sibling, especially a younger one, is usually so unexpected. I, too, had a sister, Annette, who was 4 years younger than me. Tragically, she was killed in an auto accident in 1990 at the age of 42. So having "walked in your shoes," I understand the pain, frustration and anguish you are experiencing. Just know that all of your old friends (HHS class of '61) are here for you - now and in the months to come.

“ Dear Peter,

Though I have never met you, Roseanne and I used to compare brothers, and you were certainly well placed, and the ways in which you have cared for her over the years certainly bear that out.

I enjoyed Roseanne's company and mind through time at Hollins, when we were graduate students with Louis at UNC and in the years since. I wish she had given me the chance to publish some of her poems. We talked about a month ago about a poet with whom I was working and whose work Roseanne had enjoyed discovering, and about dogs.

I will always remember her brilliant blue eyes and her persistence in the face of so many obstacles.

With all best wishes to your family. You all, and Roseanne, will be in my prayers.
