“ We are sorry to hear of your loss. Reading about Mr. Outlaw, Has touch our hearts. Now we have our wonderful memories of Mr. Outlaw, and now our grief. We feel the pain of death only because we are able to love, and we are able to love only because we are made in God's image. We reflect God's perfect ability to love, even though weakly at best. May God clothe the Outlaw Family with his tender mercies and comfort. (Psalm 147:3. Please accept my personal condolences at this most difficult time.

“ Roy was my brother and I don't know what I'm going to do without him.I remember a time in Ruby Church of God,Roy and I got tickled and couldn't stop laughing and my dad being the preacher made the both of us get up before the whole congregation and sing Jesus loves me, man was that ever hard. I guess that's where we both learned of Jesus so I ask you to pause my friend look around for what you see, so have I seen. Where you stand, so have I stood. What you do, so have I done. What you feel, so have I felt. Pause friends as walk by,for where you are, so was I.where I am now, so shall you one day be. The hours you waste, are the days gone. The number of days is equal to this one day.Jesus spared me more day than I can count, and I would gladly give them all to you Roy . I know I could search the world over and never find anyone more desiring than you. To my brother a brother everyone would be honored to have. Harold (Calhoun)

Brother Roy has been my pastor, my friend, my teacher and my brother! We have cried together, ate together, sung together, went on trips together, and laughed together and he was always the same kind hearted person each time. He was a sweet and gentle spirited person that wanted to help everyone. He was one in a million! He will be missed! My heart hurts for his family because they will miss him but I know that brother Roy has a new body and a new mind and he's walking on those streets of gold with those gone on before him! Rest in peace brother Roy, I will miss you! Love you
