“ Dear Linda and Donna,
I was so sorry to read of your mother's passing in the paper today. She was always such a lady and such a sweet person to all who knew her. Although I "escaped" Hartsville many years ago, I remember her fondly. She is one of my most pleasant memories ! Mothers are special people, and even though my mom has been gone for over 10 years, there are times when I would love to just sit and talk to her and get her "expert" advice on matters I might be struggling with. I miss seeing you both and visiting with you. Please know that you are in my thoughts and prayers now and in the future. You are two special ladies to me, and it nice to remember the times that we shared on the circle and at school. Please keep in touch and let me hear from you.
Much love,

“ My thoughts and prayers are with the Wofford family. I know her from back in the late 70's as I worked with her in the office there at the Pee Dee Hatchery for a short while and I also worked for the Wofford's on one of the farms for them also(J.C. Boan ran the farm I worked at.)
May the peace of God be with you through out this time and in the days to come.
In Christ,
