“ Dear Family,
Aunt Ruth was a dear friend to Betty Northcutt and her girls. We will always remember her Christian and southern hospitality that she extended to all through her good home cooking and viewing her beautiful yards that she loved working in daily. She will be missed but we know we shall see her again one day.
May your memories of her bring you much joy as you celebrate her life and love for others.

“ Judy ,Reba and family,
I am so sorry to hear of your loss of Mrs. Ruth. I remember many good times as a child with her. I had lost touch since I became an adult. I will always have a smile when I think of her. She and my God mother,, Doris, her sister-inlaw ,were really close friends with my mother. I remember she liked to cut up. I have seen her in church a few times as an adult and she never changed, she was always a happy,loving,and caring person. I pray the Lord will give you all comfort during this difficult time.I know Doris and my Mom have greeted her in heaven with open arms. Oh, what a glad reunion day!

Sincerely,

“ *The Beckham family and Ruth shared the neighborhood on Green St. for too many years to count. It was a wonderful neighborhood when I was growing up. Kids played outside and with each other. Doors, windows and cars were left unlocked. Everyone knew and cared for and about each other. Long conversations took place in the yards or at the fence and were interrupted only to wave at other neighbors in passing cars. It was life at a much slower pace...a perfect pace, I'd say. Visits from your neighbors who brought food and love during sad times was the normal. The neighborhood has changed, but the memories never will....a special place and even more special people. Judy, and family and friends, my prayers are with you all. We will miss Ruth and look forward to The Eternal Reunion she is now enjoyed with those who've gone earlier.*

Heaven has gained a true Angel in Aunt Ruth. My scribblings growing up with the Morrells and will always have a special place in our hearts. They were such close friends with my grandparents Langston, which extended our friendship even more. Even my son shared HAPPY times with cousins at Aunt Ruth's fishing dock. What a joyous reunion she has had as Uncle Bill and so many are celebrating her homecoming. God bless you all as you say goodbye, but knowing that one day you will see her Makes it all the sweeter.

“ For 53 years Aunt Ruth and Uncle Bill claimed TGray and me as their own. A beautiful and precious lady whom we've loved so much all of these years. Sharing herself and her love from us climbing through the fence to Uncle Bills shop downtown drinking small cokes to being at their home on Green St and going to Mrs Walters house behind Aunt Ruth to eat her Moms wonderful chicken n dumplings then riding in the wrecker with Uncle Bill and helping Aunt Ruth clean rooms at the motel. Hartsvilles first bad ice storm after we came to Hartsville took our electricity out along with the big pine trees down all around our house on Kenwood. Aunt Ruth and Uncle Bill had us stay with them at their home behind the motel. Trips to the beach so many wonderful memories. A precious God loving woman giving to so many and loving us all. We will miss you so very much but know one day we will be together again. My love and prayers to all of the family and friends... Tricia Outlaw

Praying for you guys. I knew it was important to see her just after Christmas when we were in SC. She was a special friend to many and definitely to my family. It was she who brought me an ice cream cone when I was little. Unfortunately, I had apparently gotten on mom's last nerve and was sitting in the closet. Didn't get to eat that one. But we had some amazing conversations when I was dealing with Dad's death. She loved, and lived well.
