“ Dear Scott, Ron & Mr. John, family,
You are in our prayers during this most difficult time. We know that the loss of your mother and wife is great and your hearts are heavy. You two sons please stand by your father and take good care of him. We fully understand what you have gone through these past months with your mom's illness and in seeing that proper care was given to her. You have no regrets in knowing that you gave freely your time to be with her and your father. Mrs. Ruth is with our heavenly father now and we will see her again one day. We will continue our prayers as you are dealing with the difficult tasks of your mother's estate and know that you can call on us for any questions or concerns in your process ahead of you. Your extended family members are in our prayers daily with their problems that you shouldn't be having to deal with at this time. We love you and May God continue to bless you.
