“ *As a child I remember weekend sleep overs at Mom-Mom's house being better than hitting the lottery. Trips to the candy store in Pop-Pop's wood panel crown victoria, freezer full of popsicles, house full of family, staying up late listening to Mom-Mom's stories, getting tucked in so tight you could hardly breathe, and waking up the next day to a full southern-style breakfast spread. She taught me the true meaning of family and I love her so much for that. I will miss her more than words can tell.*

*wow.. I can't believe this.. Heaven is going to be on overflow with all the angels they are receiving lately.. the most precious would be Mrs. Ruth. I really loved her . She was sweet, caring, and really loved her family and the Lord. Mrs. Ruth was already missed by myself due to not working at Morrell anymore.. but now I really will miss her. Visiting Morrell will definitely not be the same. So sorry for your loss but I am so happy she is rejoicing with the Angels and looking down on her family until you meet again.*
