“ *David, Allen, Jimmy and Family: Even though it's been a couple of months, I still have an empty feeling now that Ms. Sally has passed. Please know that I think of you all often and wonder how you are. Ms. Sally was such an important person in my life and I miss her terribly. I just thank God everyday for letting my parents move next door to such a beautiful and special lady and for all the special times we shared. I'll never forget our many bike rides and chats over the Young and the Restless. She has always been and will continue to be a special light in my world. Take care, and if we can do anything for you, please let us know.*

“ Allen, David, and Jim,  
We were so sorry to hear about your Mom. I know she was unable to drive for the past few years, but she always found a way to visit my Mother at Morningside in Hartsville. She was one of Mother's best friends. Our prayers are with your family.

“ Sally and George Burr and their 3 boys were just like family to my parents and me. They were part of a large circle of friends who used to spend holidays and birthdays with us, giving me so many happy memories of those years! Sally was always so sweet, kind, and considerate of others. She and I had one thing in common: our tap dancing talent! I loved her smile and laughter and witty jokes she would tell. She will be missed. Jimmy, David, and Allen, spouses and grandchildren: May God give you peace, strength, and comfort through the happy memories as we celebrate a wonderful life.##imported-begin##Jimmy Ballard##imported-end##
