“ Ginny and Family: So saddened and shocked to hear about your mom. I would see Sarah out walking the dog and I would talk to her when I seen her around town.. She was such a wonderful person and pleasant to talk to with that smile. I often asked about you and she talked about those grandchildren too. She was so proud of you and those grandchildren. It seems like yesterday when you would come to the house with Regenia at mom's . We all have some wonderful memories. Just hold on to those precious memories and she will live on through each of you. She will be greatly missed by all who knew her. Willl keep you all in my prayers through the difficult days ahead.
