“ *Dan III just called and told me about Sarah. As most of you know she was my second Mom.*

I am sitting here crying in joy that she is not suffering anymore and remembering all the good times she, Mama (Lib) and I had. The happiness she showed when I brought Pepper I to her. Our trip to Williamsburg when we laughed so hard trying out the vibrating bed at the motel. The time she and Mama came Mother's Day weekend to deliver a load of furniture and lost a piece off the back of the truck that was never found. Also, when I had surgery she came with Mama to sit with her and help take care of me.

Sarah will always be in my heart and now she is with my Mama. I will always miss them both and wish I could get a hug and talk with them. Sorry I can't be there for the service, but I will always visit her gravesite when I visit Mama's and Daddy's.

Every time I pick up any handwork or touch or see the things she made for me, I will cherish all the joy of having her in my life.

My thoughts and prayers are with you all.
