“ Dear Kathy & Kimberly:
I was shocked to see Scotty's name on the current visitation list. Today is the Two Year Anniversary of Caroline's death so I was going on the site to post a note. I had not seen Scotty in many years but remember how cool and fun loving he was when we were all growing up. He was so good at pulling pranks on me & Ceil! I wish there were some words I could say that would help lessen your pain and sadness but unfortunately I don't know of any. Just know that you are in my thoughts and prayers and if you need anything or just a shoulder to cry on - I'm here. Love, Rebecca##imported-begin##Rebecca Skinner-Fulmer##imported-end##
