“ I was saddened to hear about what happened I have known Shannon for many year she was my valentine many years ago and she was always such a beautiful girl inside and out cared for everybody she knew and went above and beyond to help anyone out that she could I just wish there was something I could of said or done to help her with what was going on in her life which I tried but I didn't try hard enough. I will continue to keep the family in my prayers. Shannon you will definitely be missed by everyone
