“ I got to know Shari when she was a resident at the Scott Center. I was her case worker and it was my honor to serve her. When Shari's health declined, she came to live at the Thad E. Saleeby Developmental Center in Hartsville, SC. I got to see and talk with Shari daily when I went to work at the Saleeby Center. She was such a sweet, smart, and awesome lady. She had the most infectious smile and laughter. She liked to tease and cut up with you. I will miss Shari but I know that one day I will see her again and that there will be no more goodbyes.
