“ To the Family of Maggie....I am so very sorry to hear about the passing of Maggie. I remember her and her brothers and sisters from many years ago when we were all in Elementary school together. We all used to ride the School Bus....#32 and #34 together. My sisters and I grew up in Northwood so we were all on the bus together. I pray for each of you. Cherish the Memories of Maggie. May God give each of you the strength, courage, comfort and peace in the days and months to come. God Bless each of you.....Connie Sells Wallace###imported-begin##Connie Sells Wallace###imported-end##

“ To my brother:
Maggie has been in our family longer than I can remember. She has always been a part of all that we did together. I have loved her like she was my sister. I know that she was your heart and soul and you will miss her dearly. But know that you still have your children and grandchildren to keep her memory alive. As a part of your family we will always be here to talk or to listen when you need us. I love you dearly and I will miss Mag.
Love Always,

“ Cecil & family I am so sorry for the lost of Maggie. She has always been a loving and wonderful person. I remember going to your house with my cousins & Uncle Lothorn & Aunt Dot every time they came down from N.C. We used to go skating together at Pine Ridge Skating ring every weekend. That was really the good ole days. We were all like family and always thought of each other as cousins. In a way we were cousins. Maggie will be greatly missed. Now she has joined God, Joan & Mitchell in heaven. They are watching over us with with a smile upon their face. My thoughts and prayers are with the family in your time of sorry. May God Bless you all. My deepest Sympathy! Darlene###imported-begin###Darlene Dixon Jackson###imported-end##
