“*I only knew Mrs. Hall several days but she stayed on my mind and in my prayers. She made me care so much for her in that short period of time so I can only imagine how much she was loved by the people who knew her for a lifetime. My prayers go out to Tracie, Mr. Charles, and the rest of her family and friends. I know she's in a better place.*

*We made plans to meet at the HHS football games but I know she'll be there in spirit.*

“ *I knew Shelby through my mama, Rudell Britt. She and mama worked together for many years at Nytronics, actually until my mama retired from there. I remember when she was Shelby Johnson. She and my mom had a relationship that was like no other. She would give my mom a ride home from work many times.They would sit in the car and talk or she would come inside and sit for an hour or longer and talk. She did love my mama and my mama loved her.When my mom died her "little Shelby" came to see us and we cried together.I always thought she was one of the prettiest women I had ever seen. I know my mama was waiting at the pearly gates welcoming her angel Shelby. Shelby, my family always loved you like you were one of us. You will be missed by all who knew you. Heaven has gained a special angel.To the family: I know how much Shelby loved all of you. Especially her sweet Tracie. When I would see her at the gro. store or wherever she always caught me up on what was going on with Tracie. Hold her memories close to your heart and she will be with you always. RIP my dear friend Shelby.*

“ It is difficult to put into words how special Shelby Jean has been to my life. I remember when my dad died in 1967 and Charles and Shelby Jean came to pick me up at the bus station in Florence. After that when my family came to visit Hartsville we usually saw Shelby and Charles. She is my first cousin but I love her like a sister. I will never forget last August when I came down to visit Shelby Jean'; Louise, and Gayle took me out to Lunch in Florence. It was a very special time we spent and a memory I will cherish as long as I live. My wife Gladys and I extend our deepest sympathy and love to all of Shelby Jean's family. God Bless you all is our prayer. Rutherford(Rufus) & Gladys Edwards

“ To the family of Shelby,  
Shelby was the sweetest lady ever. She has been my neighbor for over 20 years and she was always there for me when I needed her. She had the kindest heart and would help in anyway she could. We had some wonderful talks and I just loved her dearly. She was so good to me and my family and was there for me when I lost my mom. I will miss her so much. She was beautiful inside and out and she loved her daughter Tracie and her husband Charles with all her heart. I will be praying for you all and we are here for you if you need anything. We love you all, Danny Crystal Cameron and Danielle Minnehan

“ Shelby was a wonderful, sweet person. I lived next door to her and her family when I was a child. We all grew up and went our separate ways, but I loved them all - Shelby, Pete, Hildreth, Louise, Lois, Gail, and Mr. and Mrs. Johnson. Diann Beasley Murphy

“ I had the privilege of staying with Shelby and Mr. Charles when I was a little girl when my parents went out of town which was unusual because they never went any where. The one thing I remember the most was the morning after spending the night I was sitting in her kitchen and there was a taco kit box on the counter. She asked me what I wanted for breakfast and I said tacos. She didn't even hesistate. She made me tacos for breakfast . I thought that was the coolest thing. She also let her little dog sleep with me which she said she didn't allow her to do . It was a little boston terrier . I think her name was minnie but i could be mistaken. We spent time in their yard or farm actually. Me and Mr. Charles grilled out and I think I talked their ears off. I had the best time that week end. She was probably one of the sweetest people I have ever met .

Shelby, was a loving and caring person to all who knew her, a daughter, a sister, a loving wife and mother. She truly was one of a kind and will be greatly missed.

“ My heart is broken. Shelby was my sister, Beverly's best friend, and her heart is broken. Shelby was much, much more than just a best friend to her, she was another sister. She feels so lost without her. I had the pleasure of meeting and getting to know Shelby through my sister. She was the sweetest, kindest most free hearted person you could ever hope to meet. She was always thinking of and putting others needs and feelings ahead of her own. I have a 16 year old son and 2 nieces that she adored. She ALWAYS remembered each and every one of their birthdays with a card and a \$5 bill even though she hardly ever saw them, she still remembered their birthdays! This was just one example among many of the kind of sweet and caring person she was. Shelby...you may be gone but you will NEVER be forgotten and will remain in our hearts forever. God needed another angel and may he wrap his arms around you and keep you until we see your loving face again...We love you...Rest in peace...
