“ Family, her battle is over and she is enjoying her rest and rewards in heaven. We left behind can only find solice in that fact and the wonderful memories provided to us by her. I can't think of my years of 10-20 yrs old without her being part of them somehow. She was not only a great first cousin, but friend. Playing together, fighting, exploring the neighborhood, mutual friends, dating issues, transitions into Jr and Sr High School. She was always very intelligent, well spoken, progressive in thought, and proud. In later years when we got to visit, she had those same admirable qualities. I don't think the energy of her drive ever diminished. My prayers will continue for all of you as you try to understand and adjust to daily life without her physical presence.##imported-begin##Mark Kirkley##imported-end##
