“ Vanessa, I am so heartbroken for you! I love your mama very much and I know she loved me right back! She was such a beautiful lady inside and out and no matter where or when we saw each other, we ended up talking for long periods of time! During our talks, there was never a time that she didn't talk about you or Rusty and I know I don't have to tell you just how much she loved and adored you both!!! I will be praying for you sweetie and if you need anything at all, let me know!
