“ The Freeman, Byrd, and Strickland Families thank everyone for their Godfelt wishes of love. She was a special woman to work almost 20 something years with her old folks. She also loved her son Heath with all that she had. She was a wonderful Aunt who was pregnant with Heath, but took care of me. After he was born we never spent a moment apart. Her brother and sister loved her so. She is now in Heaven with our Lord and I know smiles are to be had. God Bless.

“ *Strickland-Freemon Family,*
I was so sorry to hear of your loss. Shirley was a classmate of mine and a fellow nurse. She could really light up a room with her humor and her candid stunts. We worked together many times and I had regard for her. I will be praying for you all that God will give you comfort during this difficult time.
Sincerely,

“ Shirley and I were friends from a very young age . We were in Sunday School at 4th St Baptist Church, went to Thornwell Elementary, and of course HHS. We went to the LPN program after HHS ! I never cut school except a half day of the nursing program, and of course, it was her fault ! 😊
She was with me when I had my first baby, she worked in Labor and delivery at the Byerly. My son was born in Florence and they let her be with me ! She had a cat that could talk... He would stand in front of the fridge and meow "ham" ...ok.
Karen, I determined that the "screaming" with her mom was their love language !! You only heard it with those closest to her.
The years passed and since 1986, life was busy, we seldom saw each other . Why didn't I make more of an effort to see her? She was my friend and my heart is sad .

“ I just wish for one more moment. I wish to hear you scream at Heath and I and Nanny in the back ground. It was like a bad episode of Mommas Family. No matter, we are family and we are all we have. I can't get over you are gone. I just cant. You were to help me with Alex. None of this is fair. I miss you more than ever. We had tomorrow, but it never came.

“ I have many fond memories of playing with Shirley when I was a child in the old neighborhood. We had some really good times. She was like another big sister to me, until we moved away when I was about 10. She was a beautiful person. She loved the people that she took care of at Morrell Nursing Home. She was so good to Gerald's aunt Mae while she was there. May God comfort the family and let them know that she is at peace now. She will get to see all those that she helped on this earth, who are now in Heaven. She is safe from all the torment that others are enduring everyday now. God is taking care of her now!

We grew up like siblings, always fighting. Trips to Maggie Valley were always the best. Your last trip to the mountains we took Alex to ride Thomas The Train. Best memories always.*
