“ Tysha, we are so sorry to hear about your Mom. But please watch where you are seeking your solice. Folks are beginning to talk, and hon you'll lose so much more than you will gain. He is a loser and uses women all the time, we have known him a lot of years and he's always been the same. Talks a good game and uses women like dihrags, he always has. So please take time to heal, but not with him. You have a good man, don't lose him because of the other one. More folks than you realize already know and you don't need that##imported-begin##Marty & Katie##imported-end##
