“ Dear "Miss" Hattie, Kathryn, Skeet, Lakyn and rest of the family. While we were visiting with Mama Millie in the hospital, we had several great conversations with Skeet. At the time, we were pained to see that he was not well, and prayed for and thought about him. We did not find out about his "homegoing" until everything was over with. We want you to know of our feelings. May you feel God's comfort and peace in the days ahead. We love you very much.##imported-begin##gladys and dicky premo##imported-end##

“ Bobby, sorry about the loss of your father. When I was a very young teenager, many years ago, your dad drove a truck for my dad. As a teenager, I never payed any attention to who worked with my dad, but I do remember my parents saying good things about Skeet Wallace. I also remember he was a good employee and a good man. You and your family are in my thoughts and my prayers. God bless you, Corliss##imported-begin##Corliss Maksin##imported-end##
