

## Mr. Steve Allen Marshall

March 5, 1955 - April 18, 2020

Steve Allen “Pooh” Marshall, 65, of Hartsville, SC, died April 18, 2020, at McLeod Hospital. Born on March 5, 1955 in Hartsville SC Steve enjoyed baseball, go-karts, and his grandma's biscuits.

Steve was the most loving husband to Bonnie-Ann Marshall and an amazingly generous father to April Tarlton (husband Darren) of Florence, SC and Bonnie-Ann Wiland of Hartsville, SC. He leaves behind his sister, Teresa Cassidy (husband Charles) of Hartsville, SC and many loving nieces, nephews and extended family members. He was a son of the late Russell and Harry Dell McNinch. Preceded in death by siblings Harold McNinch and Cornelia Smith.

After serving in the Army, he worked various jobs, provided pine straw to his community and recently retired from the State of South Carolina Forestry Commission after 26 years.

A huge fan of USC Gamecocks, he shared this love with his dear friend, Drake Horton attending countless games over the years.

Marshall Motorsports and Pooh Power Racing Engines provided Steve with a community of fellow go-kart enthusiasts. This community of friends (too many to list) meant the world to him. Working on engines, traveling to events and

simply the camaraderie filled him with joy. Steve never met a stranger and would do anything to help a friend.

A celebration of life will be planned for a later date. Brown-Pennington-Atkins Funeral Home is caring for the family.

“ *My condolences to Steve's family. I worked with Steve at Sand Hills for many years. He was quite a character bringing laughter to the crew often with his many jokes and silly pranks. Whether we were planting trees, dealing with straw or arguing about the work he couldn't do because of the "Red-cockaded Woodpecker", he always made life interesting. My thoughts and prayers are with the family.*

“ I was shocked to hear about the passing of my ole friend Steve O. Steve was my Carolina lunch Gamecock buddy! We set together and had breakfast early March the Tuesday before my birthday. “ I worked with Steve for over 10 years at Sand Hills State Forest. He was a character! Always could make the crowd laugh. He really set the mood for how the day was going to go.

Steve knew how to do the job and he knew it well. I would always find myself asking him questions about the forest because he had first hand knowledge. Though on many occasions, we would just sit in the shop and talk about whatever came to mind. After he retired, I missed our conversations and seeing him at work. As I'm sure others that worked with him did as well.

I really am going to miss Steve. My heart goes out to his family.

We have been neighbors for many years and it won't be the same not seeing him out riding the lawnmower, hauling pinestraw or working in his garage. May you all be comforted with the good memories that you have and may you feel the love from those who thought so much of Steve.*
