“ Steven was one of the nicest young men growing up in Hartsville with my boys. He was several years older than Tripp and Peter, but he always made time for them. I saw him and enjoyed his company every school day morning as he picked Tripp up for school. My heart is heavy...I hope somehow he knows how much he will always be missed. Beverley Pennington Dodson

“ I was so saddened by the loss of Steven. He had a smile that could light up any dark room. He was a fun person, and he no doubt made the most of his life. We had some really great times hanging out together years ago. Especially the karaoke! Every time I ran into him he was always encouraging me to continue pursuing music. I pray that God will lead you all to find peace in your hearts, and comfort in knowing that you will meet again.

I am so saddened by the loss of Steven... I have so many wonderful memories of him from our childhood, on up through our high school days. He was a great friend, and always someone I could count on. I pray for the comfort and peace that passes all our understanding, for his family and friends, now and in the days to come. May God hold you all tightly and guide you through this difficult time. -Jenanne-

“ I really thought a lot of Steven and was very proud to have known him for the short length of time that I had. When he first joined our Mustang Group in Atlanta, he was raw, but I could tell he was very smart and could work with people, and he loved to learn. Warren, Blakely, and I all tried to help him as much as possible get acquainted with this style of work we performed. He worked extremely hard and long hours just like the rest of us. I'm sure we all respected him for his efforts,. I talked him into moving into the same hotel I was in and helped him with setting up the same "deal" that I had. We wound up living across the hall from each other! We both loved dogs and I met and played with his several times when he brought him to Atlanta. He absolutely loved that animal, similar to my love for my own four dogs.

I talked to him Monday afternoon about work, and just how he was doing. He sounded very tired. I've been temporarily assigned back to my home town of Mobile, AL still working on the same projects since before Thanksgiving, so I could do is call once in a while which I did.

I used to kid Hamp all the time that one day we'd all be working for Steven. 'Not going to happen now but it would have been a pleasure to do so. I'll miss him.

Please accept my sincerest sympathies for your family's loss.

I don't know why things like this happen, but I try to believe that God needed Steven (and my nephew, Josh) for something awesome and only they could handle it. I pray that God will wrap you in his comforting arms and keep you there.
