“ Dad the acts of this life are the destiny of the next. I can only hope we shall see each other again
In that place where this time there is only love and no shadows fall,
I pray you can see me now and be proud of what I have become because of your example, but most of all I thank you because you made me the loving father I've become. You have touched my very being...I shall remember you.
Your son Russell Barrett Stewart, may you stand in Gods Grace and forgiving light.
