“ Of the many memories of an adult I have of Sue, I will never forget getting my hair cut by her when I was a child. I remember one time, I had to be under 10 years old, she asked me to write my name on a piece of paper because she wanted my autograph. She said it was because I would be someone great one day and she wanted to say she had my first autograph. That always made me feel special and I never forgot it. She will be missed.
