“ I will always treasure the time I spent at Uncle Carroll's and Aunt Miriam's house at Lake Robinson in the early 1980s. Susan taught me how to play the game Yahtzee. The first time I played the game with my son, Gavin Clark, I thought about Susan. She taught my brother Joey and I how to play many card games also. I remember all the great record albums Susan had. I'll always remember her smile as we all sat around the dining room table.

With much love, Robbie Lahmon

“ Sheila and Charlie, we were so sadden to hear about Susie. We all have fond memories of all of you when we lived across from you in the country. Climbing the big magnolia tree, your Mom finding the snake in her oven, Mama baking birthday cakes for all of us, etc. I have some pictures that I will go thru and send them to you that included all of us. Please accept our condolences and May God Bless you and remember all the good times. Love and Prayers, Virginia, John Robert, Christine and Jimmy Huggins.

One of the things I remember the most about spending time with Susan, was after we had all moved to Oklahoma. She would take me and we would go eat at Arby's. Always the same thing, 2 roast beef sandwiches, 2 orders of potato cakes, and 2 medium drinks. I still remember that it cost us a total of \$3.20 to eat all that. Also, listening to Peter Frampton brings back some memories.
