“ To my dear friend Michelle, I hope that you and Carl and your Dad are finding comfort in each other on this difficult day. Michelle you are a wonderful friend and always have been. You are always your beautiful self everytime I see you. I know how much you love your mother and I am sorry that you have to go thru this so early in life. Life is not predictable and sometimes shocking, keeping faith can sometimes be hard. Just remember we are all God's children, and one day he just calls us home.
I am thinking of you and Carl and Barry.

“ *Barry, Lynn, Terry, and families:*
I was so sorry to learn of Susan's sudden death. It just seems so unfair to lose her when we finally get to the age of being able to spend more time together. You raise your children and think, "now we can go back to going places and doing things as a couple". But no one promised her fairness in life and certainly there is none in death. Growing up in the same community, I can remember Susan as a child. Then, Barry, we went off into service together and sort of lost touch. But I know that you and Susan had a great life together and you should have no regrets about your time with her. She is watching you now, to be sure. I'll keep you all in my prayers.##imported-begin##Billy McDonald##imported-end##
