“ I remember Susan as being a very friendly and professional person from her days at Little Italy. I'm so sorry to know that she has passed. I'm thankful that I had the opportunity to meet her. She and I always picked at each other and made my day! Frankie Morrison.

“ Terry my heart goes out to you. You were always her loving partner. You guys have been through so much together. You two were a great team. She loves you so much!
I have so many great memories of SueSue. She worked so hard at Little Italy. She was tough as nails. So strong. I remember thinking.... Lord, she has had open heart surgery and she was still running circles around me I hate that we all lost touch when the restaurant closed. I recently connected with her on facebook. I am grateful for the conversations we had. She will be missed.
Terry if there is ever anything I can do to help you, please just let me know. You are in my thoughts and prayers.
