“ *Wilford and Family,  
I am so very sorry to have heard about this today.  
I have known Wilford most of my life, but the first time I met Jo it was as if we had known each other our entire lives. She was one of the kindest and most thoughtful people I have ever known. She was so lucky to have been blessed with a family that surrounded her with love and was always by her side. I hope my friend was met by her dear family and friends that passed before her, and that she is now rejoicing with them.  
Prayers being sent to this sweet Family*
