“ *My condolences to the Griggs family. May it comfort you to know that God will soon get rid of death forever as Isaiah 25:1. Yes, God will do this because death was not in God's plan but Adam sinned, so sin and death spread to all mankind and God love you and your loved one and he know how death brings pain to the families. I hope these facts bring you and your family some help in the days ahead and in your time it need.*
