*I always enjoyed talking with Terri when she would come to the beauty shop.....She always had something going or sharing something with us...Terri, Hattie and I had many a laugh at what she would tell us....I always admired her, she would always bring two of her grandsons to the shop and only about three weeks ago, we were there at the same time...Her grandsons were so thoughtful and caring...I will miss her at the shop and I will be praying for her family....*
