“ You crossed my mind today, like a lot of days. On cold days.... when you would start my car, when I see any infomercial, because I know you would buy what they were selling, when I see huge bags of produce, because I know you would buy the huge bags to save money and waste 80% of it. You left us 10 days and 7 years ago. Doesn't seem that long. You are still very missed.

“ Terry! You would not believe what happened today! The FEX EX man delivered a package to the house and when I opened it, it was from the Krispy Kreme Corporation! They were notified of your love for their doughnuts and read my memorial and knew that it was mentioned at your funeral. They sent me a whole box of tea-shirts, sweatshirts, mugs, a hat and coupons for free doughnuts along with a very sweet letter. I immediately called Kerry to come and see and he was touched also. I tried to give Kerry the hat, but he said it was cute me, :). Hope your having fun up there, I sure miss you like crazy!! Brandy##imported-begin##Brandy O'Neal##imported-end##

“ Kerry & Brandy:

You are both in my thoughts and prayers. Remember that God and time will heal your hurting hearts, but will never erase your love and memories of Terry. Kerry, it seems like a life time ago that you and Terry were in high school and I was just a little squirt. I thought of the two of you as older brothers. The love that was shared between your family and mine was a love that doesn't come along often. Although years have come and gone, my love and memories have always remained. I am so grateful for the past few months and my phone calls and visits with Terry. It was as if we had never lost connection; only let time go by. I will pray for you both. Kerry, I'm sure that between Mama and Frances Terry hasn't had much time to talk! They will keep him company until we all get there.

Love always,

“ FOR ALL WHO IS GRIEVING FOR ME, DON'T. I AM IN HEAVEN WALKING THE STREETS OF GOLD HOLDING MY MOTHER'S HAND, AND WATCHING MY DADDY SPLASH AROUND IN THE RIVER OF LIFE. YOU WOULD NOT BELIEVE THIS PLACE. IT'S JUST LIKE THE BIBLE TALKS ABOUT, ONLY BETTER. THE STREETS ARE PURE GOLD, AND THE GATES ARE OF HEAVY PEARL. THERE'S NO ONE OLD, OR SICK, NO TEARS, EVERYONES JUST LAUGHING AND HAVING A GOOD TIME. I GOT TO MEET JESUS, HE CALLED ME TO HIS SIDE AND I FELT SO UNWORTHY TO BE STANDING NEXT TO A MAN SO GREAT. HE TOLD ME THAT HE WAS PROUD OF ME BECAUSE I WAS GOOD TO PEOPLE WHILE ON EARTH AND THAT I ALWAYS TRIED TO SEE THE GOOD IN PEOPLE. HE PLACED A CROWN ON MY HEAD. HE GAVE ME TWO JOBS TO DO, ONE WAS TO HARVEST THE FIELDS AND YOU ALL KNOW HOW MUCH I LOVE TO FARM, AND THE OTHER WAS TO BE THE HEAD COOK, AND YES, YOU KNOW I LOVE THAT TOO. IF YOU COULD SEE HOW HAPPY I AM HERE YOU WOULD NOT WANT ME TO COME BACK. I LOVE IT HERE, AND I AM NOT SICK ANYMORE, I NEVER HURT. IT'S JUST WONDERFUL. I LOVE YOU ALL, AND HOPE TO SEE YOU AGAIN SOME DAY. IF YOU MAKE IT TO HEAVEN, LOOK FOR ME. I WILL BE THE SHORT, CHUBBY GUY STANDING NEAR THE RIVER WITH A FISHING POLE IN HIS HAND, AND YES, I WILL BE LAUGHING MY OUT OF BREATH LAUGH !!
I LOVE YOU,
TERRY###imported-begin##TERRY FINK###imported-end##

“ I want to offer the family my sympathy for your loss. It is never easy to lose someone that you love.

Terry brought so much laughter to all that knew him. He had a huge heart and loved good food. He would come by my house almost everyday at supper time and eat with us. I remember many times in the early 80's when Terry would visit. My girls, Stephanie and Adrienne, thought he was a big teddy bear. They loved Terry so much. I remember once when my car was stolen he gave me his car to drive for 3 weeks. Over the years we have all gone our separate ways but I always thought so much of Terry. There are so many memories that I have of him that I will always hold dear. One particular holds my thought when I think of him.

The way he would get so tickled that he would lose his breath when talking.

Once at the beach he wanted to make drinks in the blender, the only thing we had were blueberries. He made a blender full of blueberry daqaries and all of us had blue teeth all night. He was a fun person and I will miss him.##imported-begin##Frances Wright Jones##imported-end##

“ Kerry, Pam and Family,

I am saddened to hear of your loss. Terry was such a unique and special person. I can remember deer-hunting with you guys, going to dinner at the house, and just good-times. I have talked many times to my daughter about the special friendship we all had twenty plus years ago. While I don't know the circumstances of this tragedy, I do know Terry will be missed and that my thoughts and prayers are with all of you.##imported-begin##Wendy Yarborough Green##imported-end##

“ To Brandy O'neal and the family of Terry Fink: I am Brandy's step-sister and I knew Terry through Brandy. I feel blessed to have known Terry. I didn't get to spend a lot of time with him, but the time that I did spend with him was a blessing. I loved Terry's sense of humor and his crazy laugh. I could see the love he had for Brandy when I looked at him. I am glad that Terry had a wonderful birthday and I hope that on his next birthday in heaven he will make a wish for all of us here. Brandy just know that he is in a much better place now and that he loved you dearly. Love Matt and Brandy Hatchell###imported-begin##Matt and Brandy Hatchell###imported-end##

“ We only met Terry a few times, but he impressed us as a gentle, warm, and caring person. “ To Frannie, Kerry and the Fink family.....
I only known Terry a short time, but the times I was around him he was a sweet person with a heart of gold. I remember the first time Billy took me to his parents house to meet the family and Terry was there. Terry cooked one heck of a good turkey. Right now this is weighing hard on Billy so I am typing what I have seen and felt in his heart for Terry.....(Billy) I have truely lost a dear friend and a brother. I have nown Terry for years and have had some wonderful times with him. The cookout, Family get togethers and just plain everyday friendship. Terry Bud, I miss you terribly. May you rest in peace and always know your in my heart. You'll never be forgotten. Frannie.....I love you as one of my own and will always be here if you ever need me.....Billy J Smith (Big Boy) Sr.##imported-begin##Dee Tyndall##imported-end##

“ Dear Kerry, Frannie, and family,

You are truly in my thoughts and prayers. I know you will miss Terry dearly. He was a wonderful person. I think back to the days when he and Kerry use to deliver hay to our house. I remember the many hamburgers and bowls of home made soup he ate at Lowe Way. I also remember the days Kerry, Terry, and Randy got up to go hunting in the early morning hours (long before sun rise) . He will always have a special place in my heart. Terry was like family. I am saddened by his loss but will always remember that wonderful laugh of his. He has moved on to a better place but will never be forgotten.

Always,

“ Uncle Terry,

I use to love to come out there and bum around your farm. I liked climbing up in your combine and visiting your horses. I will miss you so much. The last time I seen you you looked at my Dad and you had a bag in your hand and you said "HERE TONY, GIVE THIS TO THE BABY". I was 12 when you called me a baby, but it made me feel special. I have that ladybug bracelet on right now while I am typing this. I will always keep it, and every time I look at it I will think of you. I love you.

“ Thank you Terry, for being a good friend to me, for allowing me to deer hunt on your land and you going with me a couple of times, for being good to my wife, for loving my daughters, for giving Brandy 2 good years, for your good juicy steaks, and just for being there for us any time we needed you. I was glad to get the chance to know you and be there for you. My only regret is that I didn't meet you a long time ago. I never had a brother, but I think you and I could have made good brothers. I will miss you and love you.

“ The first time I met you was in the wee hours of the morning at Carolina Pines Hospital Emergency Room. It was when Dad was in such critical care. You were there then, and remained there for the next 2 months, always ready to lend a helping hand, asking if I needed anything, calling me to see if you could bring me something while I was there by his bedside. I grew to love you because of your kind outlook on life, and kept loving you because I felt like you were family. Thank you Terry, for all you did for me during that trying time. I will make a promise to you, right now that I will watch out for your little darling (Brandy) as I heard you so often call her. I will miss you and your halarious laugh that you had. I love you Terry.
