“ Dear family,
Tessie became a friend to my mother in 1973 when my family moved here from the north. She made my mother feel welcome in a place far from home. Although my parents moved a year later, my mother looked forward to our Wal-mart trips so she could "catch up" with Tessie. I'm sure she touched many other lives similarly. Our thoughts are with you.##imported-begin##Gail Bowen##imported-end##

“ To the Family I offer my deepest heart-felt sympathy. Tessie was a wonderful person and from a very young age her mark was pressed deeply into my heart. I remember when I started to drive there were no parks available for an extra student that yea at Hartsville High. Tessie, being a friend of my grandparents, offered to let me park under the oak tree by her driveway there on Gandy drive. I was so grateful that often I would offer to help her in the yard if nothing more than picking up sticks. Some days we would sit out back and just talk before I left. I use to thinks she just liked the company. Now I have come to realize through life that it was I that needed the friend, and she was there. I have never forgotten her kindness. May each of you find rest in knowing that her days of suffering are long gone and that she is finding rest in the Lord. Know that the banquet is set and that she is at the table.##imported-begin##Brian Gandy##imported-end##

“ *My thoughts and prayers go out to the family. It is so hard to lose a loved one especially one that has been such a big part of everyone's lives. I know after losing mother in January that there will always be a vacant place in my live but I find peace in God's promise that we will be together again one day. Please know that we will continue to hold you up in prayer in the days ahead.*

“ I will truly miss Miss Tessie's phone calls. If she didn't get mother she would always call to check to see if everything was ok. Mother always went by to check on Tessie. Mother often took Tessie a little snack to eat or for a ride to McBee to get peaches or vegetables. She was a friend of the family and we will miss her very much.##imported-begin##Dee and Jennie Sherrill##imported-end##

“ Everytime I saw Miss Tessie she would ask how I was doing and about the family; there was always a genuine concern in her voice. I think she knew everyone in Hartsville, and I think everyone in Hartsville knew who Miss Tessie was. I'm sure she'll be missed by many.

“ My thoughts are with the family at this time. I worked with Ms. Tessie at Walmart in the late eighties and early ninties and always thought so much of her. She was so much fun to be around at work. I also had the wonderful opportunity of helping her at my current job at Hartsville Drug and she always was so sweet and kind. She will be missed.##imported-begin##Mandy Tyner##imported-end##
