“ I met Tex while I was employed with SPC Credit Union; after a few questions about family, we realized we were related. His grandmother, Noonie Atkinson and my dad Bob Northcutt were siblings. After that, we had a connection. Having such large families (13 Northcutt children), it was great getting to know a relative I had never met, and regret I didn't know more of my extended family. I haven't seen Tex in years, but I am very grateful to have shared a bit of our heritage. My thoughts and prayers are of this big wonderful family.

“ This doesn't seem real--As I sit here and look out the window at your home ,it looks so empty,so sad,, You're gone,you're trucks gone,you're things are gone..It feels like you've been wiped off the face of the earth..I will miss seeing you go to the store everyday at 10:00 and return about 30 minutes later,, every day,,and I would raise the window and yell good morning ,and would yell back..But the best part of all of this is the many, many memories we all shared..The Christmas's we shared every year was the best ever..You sure did love Christmas..Everyone in our little family came,, the food , the gifts, the laughter,,just awesome..all the videos I took of us sharing our love and friendship for each other..I'm surely gonna miss sending you plates of food and watching your eyes get as big as the plate..You did love my cooking,,and I loved feeding you..You were the best--I'm gonna miss sitting under the shed with you..I'm gonna miss watching tv with you..I'm gonna miss you in every way..I love you my friend..Lucy..
