“ *I have wonderful childhood memories of my Uncle Dock and Aunt Thelma - mainly around picking vegetables from their beautiful garden, playing with animals, enjoying great food, and sharing stories. My family and I have continued to visit and call over the years, and during our last visit to the nursing home, she shared with us that she had lived a great life and when her time came, she was ready to go. Now she is at peace and back with Uncle Dock and her siblings. I want to extend my thoughts and prayers to the Moore and Blackwell families.*

Cathy i lost my mom in December of 2017. Thos was an aunt that was like a second mama though. She didnt have children of her own but claimed her nieces and nephews, as her children. She dearly loved us and we loved her too. She will be missed.
