“ Teri, you helped me fly. I was very young, you was babysitting while mom and dad went out. You was ironing and made me sit down to be still and watch Peter Pan. From that night on I dreamed of flying. It took many years to master in my sleep but I did. Mine was just a dream you helped make possible. Now it's your turn, open your wings and soar amongst the heavens as I see the beauty of your flight through my minds eye and it brings happiness to my heart and tears of joy to my eyes. Till we meet again....
