“ It's so hard to believe my papa is actually gone . I really do miss him , it breaks my heart to know that he's not here no more 🥰 . I just wish this never happened , that he was in his bed listening to some music while eating his donut sticks and drinking a big glass of milk (if you knew him you know he LOVED his donut sticks and milk) . My papa loved all of his family and friends so much , he might not talked to them everyday but he'd always ask about them . My papa was never scared to say what he thought , good or bad . I remember he used to ask me a thousand questions before I go to sleep , yelling at me for having my hair rollers all over his bathroom , & asking if I'm going to town or where I'm going . I'm going to miss all of these memories we've had , good or bad . Wish this didn't happened to him , but I know he's not hurting no more . I love my papa so much ❤️

“ *Theron spent his life caring for others and giving of himself. I know he worked hard to help his wife, my sister-n-law care for the family after the terrible accident which left his mother-n-law paralyzed. My husband and I greatly appreciated all the love and care he shared with us during the times he stayed with us in our home. He talked faster than anyone I know and we loved him dearly. Rest with Jesus.*
