

Mr. Thomas James Bell III

April 3, 1969 - January 4, 2020

Thomas James Bell, III, husband of Mary Gwinn Vaux Bell, died Saturday, January 4, 2020, at their residence in Bluffton, S.C.

James was born April 3, 1969, to Dr. Jimmy and Nancy Baker Bell. He was raised in Hartsville, S.C. He was a graduate of Hartsville High School, Clemson University with a double major in Political Science and English, and the University of South Carolina Law School. James began his legal career as an attorney for the Statehouse on the Banking and Insurance Senate Committee. For the past 19 years, he was a Public Defender with Beaufort County Public Defender's Office.

James valued his family and friends. He loved Clemson football and basketball, the May River, movies, politics and books. James found endless joy in the special relationships with his many nieces and nephews. "Uncle J", as they affectionately called him, was a confidant, playmate, and buddy to Matthew, Abby, Mia, Lizzie, Audrey, Hayne, Addison, Pepper, Wyatt, Vivian, Roberts, Mills, Ella, and Faye. He also loved his rescue dogs.

Surviving, in addition to his wife and parents, are his sisters Elizabeth (Terry) Quinn and Andrea (Derek) Trader. Also surviving are Roberts and Mary Vaux, Emily and Chris Burden, Tabor and Erin Vaux, Anna Pepper and Jason Hewett, and the aforementioned beloved nieces and nephews.

His quick wit, copious knowledge and loving spirit will be missed by so many. We lost a very special husband, son, brother, uncle and friend who forever changed our lives for the better. We will remember his sound advice, loving words and funny jokes for many years to come.

A celebration of his life will be held on Saturday, January 11, 2020, at 11:00 A.M. at the Church of the Cross, 110 Calhoun Street, Bluffton, S.C.

Visitation following the service will be at held at The Pine House, 95 Boundary Street, Bluffton, S.C.

In lieu of flowers, memorials may be made to the Jasper Animal Rescue Mission, jarmission.org, or a charity of your choice. Brown-Pennington-Atkins Funeral Home is caring for the family in Hartsville, SC.

“ As a teenager I babysat for Dr Bell and Miss Nancy when James aka “Jamie” and Elizabeth were very small children. I was sitting with them when ANDREA was born! He was always in his room with a book! Happy kid with a contagious smile! My heart breaks for his family! I know that pain of losing a Son an only Son way to young! Much love for this family! Praying for you all!

“ *As the news of James’s passing spread among his Hartsville HS classmates, there was obviously great shock, but also great memories of his wit and humor. My experiences with James also included his competitive nature on the basketball court. Going to camps at Clemson and playing countless afternoons on the court at Prestwood are some of my favorite childhood memories. There’s also a semester of Chemistry with Dr. Singh that we could write a book about James’s humor, one-liners, and in one instance, his dash for a fire extinguisher.*

To Dr. and Mrs. Bell, the Trader and Quinn families, our thoughts and prayers are with you.

Our family loves all of you dearly. God's Word tells us to weep with those who weep. Jesus, Himself wept. We will continue to be praying for you in the months ahead. I have shared a light to remembrance, also. "For God so loved the world that He gave His only begotten Son, that whosoever believes in Him should not perish but have everlasting life." “ James (Jamie back then 😊) was probably my first childhood friend. He was certainly the first that did not live next door to me or across the street. We used to play Batman and Robin together when we were 5 years old, As I recall, I was always the Robin in that partnership. I'm sure that James convinced me that that was the much cooler role. James had an almost professional ability to take ordinary things in life and make them into something that would keep you laughing well after the joke should have worn off. He once told me a story about when the family moved to California and his mom signed him up for soccer which was starting to become big even back then. He said that he went to the first practice and kids were dribbling their soccer balls and doing headers and running all over the place. Being from Hartsville and never having played soccer before, James showed up with a big red kickball. He said that was the only practice that he attended! 😊 James didn't just tell you a story, he put you there. His ability to put you at ease was matched only by his rapier- like wit. We were at Clemson basketball camp one year and the coaches had us running set plays and trying to work the ball inside. At some point in the scrimmage, James hoisted a 25 foot shot. One of the coaches screams "what is that?". As the ball goes through the net, James turn to him and says, " 2 points, Coach".

James made everyone around him laugh because that was his gift. Oftentimes, that overshadowed the deep and caring heart that he had for his friends and family. He cared deeply about those around him. He was inclusive, loyal and compassionate. I did not know James the man as well as I knew James the boy and young adult, but I know that Heaven is a funnier place today than it was a few days ago. I know that I mourn James' loss from a personal standpoint, but also for all those that he touched on his journey.

To the Bells, my heart breaks for you. You are truly one of the most generous families that I have ever known. This is nothing that we can understand. I pray relief for you in the days ahead. I am thankful for your Faith and know that it will be a comfort in these challenging

times. God Bless You All!
