Words are so inadequate during this time of loss. Our boys grew up with Bennett and we share very fond and beautiful memories of good times together. Bennett never met a stranger and was such a kind and considerate young man. His personality radiated to those he came in contact. He always had a smile on his face. He was a good athlete as well. He will be missed by his family and friends and knowing that he is now with God his maker hopefully will bring some comfort. Terry, Chapman and Gabe, you are loved by so many people and so many have each of you in their thoughts and prayers. God loves each of you so much. If there is anything I can do, please reach out. God Bless your family and the life of Bennett. We love you guys.
