# Tribute Wall

“ We used to live in the house on the corner of Greenwood Ave. amd Law St. years ago and my son Carlyse and Tom played together as little children. It saddened me greatly to know of Tom's passing and especially at such a young age. I remember hime and all of his brothers and sisters as they and their mom guided me through young motherhood. It was a special experience to know all of them. My prayers go out to your entire family on your loss. They are a part of our life that will never be forgotten. Please give my love and sympathy to the entire family. I just don't know what to say as I know how much he will be missed. Love to all of you.

“ My dearest sweet Tom, you are and always will be the love of my life, my soul mate. I truly believe God brought us together for a reason. I don't understand, nor do I question why God took you so suddenly. I will always cherish each and every second we spent together. I will miss your loving arms, your heart of gold, your beautiful smile, your genuine spirit and I must not forget your nummisims. You are one in a million. You gave me four precious gifts who are all so blessed to have you as their dad. God, Fuller, Caleb, Emma Caroline, Andrew, Nannie and our family will be my strength. Rejoice with Boo Boo, Big Fuller, Edith, Lynne, Aunt Virginia and the rest of the family as well as your buddy Russell Dean. Kiss all of them and my grandparents for me. You are in my heart forever and until we meet again, I love you my "sweet baby"....Sheri##imported-begin##Sheri Howle##imported-end##

“ While working in Hartsville in the early 1960s, the Howles welcomed me into their home, where I was treated as one of the family and where our lifelong friendship began.

*I watched Tom grow from a baby into the fun loving, energetic, charismatic and loving man he became.*

*We were devastated to be told the news of Tom’s untimely death. Tom held a very special place in our hearts and always will.*

*Elsie, the girls and myself treasure happy memories of our many visits to Hartsville and of his stay with us in England.*

*Our deepest sympathy and love go to Sheri, Fuller, Caleb, Andrew & Emma and the Howle family at this very sad time.*

*God bless.*

“ To the entire Howle Family,  
I was so saddened to learn of Tom's sudden and untimely death. Although I have not seen him since high school, I have very fond memories of a wonderful, sweet young man that always had a smile on his face. From all the post that I have read, it seems that he never changed, still the same sweet and wonderful person. But add to that a Godly man who loved his family and his friends. May you all find comfort in knowing that Tom is now complete with our great Lord, his early battles won and his greatest reward accomplished. You are all in my prayers. I know the forever days to come will be a challenge but rejoice in knowing that Tom is home. May you feel God's loving arms tightly embracing you and carrying you through these dark days. “ Dear Family,

*I am so sorry for your loss. While I do not understand why, GOD does. Tom was a GODLY man who LOVED our LORD. He was a brother in a BAND OF BROTHER who will forever be missed. As a brother of Tom's, we want to help in any way possible.*

*If there can be comfort as we grieve, it is knowing he is in heaven with GOD, JESUS, HOLY SPIRIT and the SAINTS.*

“ Dear Larry and Carolyn:

*Deepest sympathy to you and the Howle family. Though we didn't know him, his guest book entries speak for him. He is described as an upstanding, honorable man who loved God, his wife, children, family and who is now in the presence of His Heavenly Father. What more of a legacy would any good Christian man hope to leave???*

*We pray that God's comfort, love and peace be with you during this time and in the days to follow.##imported-begin##Sam Doyle and Paula Riich##imported-end##*

“ I can not imagine the shock and loss that your family is feeling.

*I remember sitting at Mrs. Edward's house, before/after my piano lessons, (across the street from the Howle House)... I loved to watch "Howles' coming and going..it was like a observing the activity of a busy, delightful beehive. I remember watching Tom as a young boy playing and enjoying life. I will never forget him.*

*My heart aches for all of you.*
