“ *Thurston and my mother shared the same birthday. I first met Thurston when I worked in the order department at Sonoco one summer (followed by a second summer) when I was in high school. He was my boss. I came to know what a wonderful man he was. We had some good conversations, and he offered me some very good advice about planning for the future. I am honored to have known him. He set an example for others to follow.##imported-begin##Susan Reynolds##imported-end##*

“ Mrs Stuckey, Clyde and Mark, I have nothing but wonderful memories of Mr. Stuckey from my youth. From backyard ball games, organized baseball, hunting, fishing and even Carolina/Clemson smack downs, he was always there to support, assist, referee, mediate and even discipline the neighborhood gang when needed.

“ Dear Margie, Clyde & Mark:
There is inevitably a time when words fail. This is one. I truly wish I could be there, but Mac can't arrange things to get us there in time. Molly just started her 6th grade class this week and can't get off. Neely's job is in one of the really busy times they have when school starts. You are all in our thoughts and prayers. He was much loved, as all of you are.

“ Dear Aunt Margie, Clyde, and Mark,

I am so sorry I will never be able to sit around and joke with Uncle Buddy and talk about Clemson football again. I think he and my dad, Gallman, looked and sounded almost just alike. Uncle Buddy had a great sense of humor, and he loved doing things with his family more than any man I have ever seen. We will all miss him, but you all will miss him the most. I am sorry I can't make the visitation and funeral; it is just too soon to take care of all the responsibilities of Monday morning and still get on the road in time to get there before 7:00. I do hope we'll have the time later to get together and reminisce about his great life and his huge contribution to all of ours.

Love,

Mac##imported-begin##Mac Stuckey##imported-end##
