“ I have so many memories of you Tim. From when you first began to walk. Family dinners at Grandma and Grandpa's house in Alameda to their home in Sacramento. I remember you coming in to the house on your Dads shoulders(when you were very small of course). You grew so fast soon the tallest in the family. I enjoyed your visits at my house with Jenny and Tina. My boys enjoyed playing with you and later keeping in touch with you. Your family will miss you and always keep you in their hearts with happy memories. I am so sorry for you Mom and Dads loss I know they loved you so much. Love and I will remember you always Aunt Florence
