I often thought about him over the years and wonder how he was doing. The last time I saw and talked with him , is when our cousin Michael Dixon passed. 2005...I just want to say to Sandra and family ...I am so sorry for your loss.. you all are in my thoughts and prayers.*

*My heart and prays go out to all of our family when you lose a love one you lose a very special friend , a brother is a very special part in your heart , a sister is a special part in your heart,. But to lose a child there is no pain greater than here on earth I don't care if you have not seen your child in a month a day are even a year . There is a void and a pain that nothing and I mean nothing here on earth can fill. Your heart is broken you will ask god why. why my brother why my child but I promise you if you talk to Jesus he will help you though it he will give you the strength .Please in this time of need lean on one another and always look to Jesus for help ..
God Bless*

Yes, That was about the time Boyd came to live my family. He was such a sweet boy. My son took Boyd as a younger brother, and to he started right of calling me Mom and my husband Dad. When had to leave SC we were not allowed to bring him to NC with us.. But he would call almost every mothers day and fathers day.The last time I talked to Boyd was when Wanda Gaskines passed and he called on my sons cell phone. Wish I could hear him one more time saying HI, Mom how are you doing. But now my sweet boy is in heaven with his Mother and "Dad" I loved you son, Wish I could have kept you..

Mozell Hicks - March 06, 2015 at 12:55 AM

“ My thoughts & prayers are with our family as we all grieve the loss of Boyd. I remember him as always having a smile and being kind. Although Boyd is no longer with us on earth, he will live in the hearts of his family and all who love him. May Boyd now have eternal life with our Father in heaven.
