

## Mr. Timothy Wyatt "Timmie" Cassidy

May 17, 1995 - April 3, 2022

It is with deep sorrow that the Cassidy family announces the death of their beloved son, Timothy Wyatt "Timmie" Cassidy, 26.

Mr. Cassidy entered into rest on Sunday, April 3, 2022. The Directors of Brown-Pennington-Atkins Funeral Home & Crematory are caring for the family.

A funeral service to honor his life will be held at 2 o'clock on Monday, April 11, 2022, in The Chapel of Brown-Pennington-Atkins Funeral Home, with The Rev. Steve Winburn officiating. The family will receive friends immediately following the service.

Timmie was born in Hartsville, SC, on May 17, 1995, the son of Tony R. Cassidy, Sr., and Carol Lynn Cassidy of Hartsville, SC. In addition to his parents, he is survived by his brother, Tony R. (Jessica) Cassidy, Jr. of Darlington, SC; niece, Kinsley Cassidy; and his nephew, Colton Cassidy.

Timmie had a heart of gold! He had a passion for fishing and loved to fish for Bass and Catfish. When he took his niece and nephew to the pond fishing, his eyes would light up with pride and joy.

Timmie was also a computer wizard. He could fix any computer or phone. He

loved social media and playing online games, especially Fortnite.

Our Timmie loved his family and would have done anything he could for us! He and his brother had the same passion for fishing, and wow, the fish they caught! He and Tony also loved riding four-wheelers, and they were fearless, having no boundaries. This momma had a few too many scary moments, but it never seemed to deter him.

I asked Colton and Kinsley to describe Uncle Timmie in one word, and Colton said, "Brave," and Kinsley said, "Kind."

They were right; my baby boy was fearless!

If I had to describe Timmie in just a few words, it would be loving, cocky, not afraid of anything or anyone. He loved all of us, just in different ways. We will never stop loving you, son! We will forever be empty and lost. Losing you at such a young age of 26 has been a nightmare for all of us -- every day.

“ Timmie, I never knew that I'd miss you this much. It honestly makes me a little more empty day by day. When I look up at the night sky as I'm doing now, I can feel you letting me know what you want me to do. I know in my heart that you heard the promise I made to you, and I will not let you down. With every power in me, with every year I've cried, everytime I miss you more than the second before, everytime I see what losing you has done to our family, my promise to you gets that much closer to being fulfilled. Timmie, I have a pretty good feeling that y'all already are, but please 🙏 keep a eye out for my baby boy, you, grandma, papa, uncle Ru aunt Nora, and the other side of Ray's family too. Teach him everything I didn't have the chance to. And above all Timmie, I promise I'll continue to be lil Lynn, remember.. you were the first one to call me that. And you're right. Cuz, how bout save me a seat. I know you're impatient, alls always, but it won't be much longer at all. Oh I know you already know, but to explain the pictures, the one if me, I only added it because I was wearing your memorial shirt. The other one, well I had you honored publicly on social media to continue to assure that you will never be forgotten. Your good qualities will always be repeated and proved as long as I still have a pulse. I will continue to be an advocate for fentynal awareness as well as educating people the difference in knowing and being poisoned. Lil bro.... You know what I swore to you that night you gave me a sign.... Don't worry, Shawtys got this. I promise. Until I see you (soon) look after the fam up there as well as the ones down here that can't wait to see you again. TWC .... Save a seat for me, My job is getting closer to being fulfilled, then this pain will stop inside me, once my angel family I see, my life will be whole finally, cuz- I won't be long, you'll see.
