“ I am sad to hear of Tina's passing. I too worked at INA Bearing. I'd see Tina every day at the end of her shift. As often as not, Tina would pass by my work station and chat for a minute. Tina was so proud of her family and particularly her neice and nephews. Her eyes would light up as she'd talk about them. Seeing all her old pictures and family pictures made me feel like I've always known Tina. So precious those minutes I was blessed to spend with her. Tina Wilkes will always live in our hearts and brighten all of our days.

dan, wanda, sheila i am so sorry. tina was a very special friend she will be missed

ronnie valentine - February 25, 2016 at 04:33 PM

*Wanda, Dan, & Sheila words will not come to me right now to explain how sorry I am to hear of Tina's passing. I spent half of my childhood with Tina and at your house. The day I was told my daddy died, I ran out my back door to Tina. I laid on her bed and just cried as all of you comforted me. I will never forget it. She and I learned everything together growing up. We danced the nights away in her bedroom. We were convinced one day we would be on one of the dance shows on TV. My heart hurts now knowing she is gone, and for all of you. But I'm sure she is in a far better place than we are in right now. My love goes out to all of you and I will forever have my love for Tina in my heart!!!
