“ I know this is long overdue but my husband and I worked with Todd at the H.B.Robinson plant. I cared for him deeply as a friend. He could make me laugh so hard. I think of him often and what a very special person he was to me and I will never forget him! May God bless and comfort you always.

“ Todd gonna miss you playing football with me and playing basketball together. You was so thoughtful of other people and did whatever you could to make people happy. I remember we would be playing basketball and would change the score from like 18-12 to 18-17 when someone would score. I will miss All the times we would watch all the south carolina football games together and you screaming. Even though I didn't see you for almost 2 years you still called me and told me how much you miss us and telling us to come visit you in Columbia.
Love you, R.I.P

“ Well Uncle Todd, I must say I would have never thought you'd go this early. But, I'm happy that you did peacefully. You were changing your life around not only for me and my brother but for the family and friends. You took me under your wing like I was your own kid. You were the one who taught me to play football and pushed me to strive for excellence. Thanks for everything Todd. May you rest in peace.

“ I have fond memories of Todd and his family while growing up in Hartsville. We all had recently reconnected at my brother, Frank's, birthday celebration. Todd was so kind and caring and was one of Frank's biggest supporters since his cancer diagnosis. Todd and I shared "birthday" messages on Facebook in January. It's sad to hear of his passing. Rest in peace sweet friend and prayers for the Anthony family.

“ Many of my greatest times and fun memories of elementary, junior high, high school and beyond had Todd Anthony in them! These great times spanned from Hartsville, Ocean Drive, Myrtle Beach and to Charlotte, NC. He was always the life of the party! He was also always a very good friend.

Mr. and Mrs. Anthony, I am so sorry to hear this terrible news. I hope you know that a large group of people paused when they heard and had the same fond and funny reflections as a result of Todd touching their lives.

All my best to you and your family during this difficult time.

“ *Dear Anthony family,
You must know how deeply saddened I am over your loss. Todd and I were such close friends growing up and a good part of me today is influenced by his friendship. I will miss him very much. He was a special man and I know our lives will never be the same without him. He was a caring friend.
He has left me with many wonderful memories. I will cherish them forever. He will always be with us in those memories.
The sun sets, but the warmth remains.
