“ *I am Ed's niece...he was the oldest boy and my momma Virginia was the oldest girl. So they have always had a close bond. My momma LOVED Ed..but she loved all of her siblings. Ed and Francis were so special to our family. I cant remember a time that they didnt come to any family or church event. I had lunch with Ed that day, along with 3 of his sisters...and he had the stroke that night. I'm so thankful that I got to spend that time with him. I told each one of them that I loved them right before we parted..never did I think this was going to happen to him. I'll miss that good-looking (he and momma favored) sweet, loving man! It's just hard to accept! See you when I get to Heaven, Uncle Ed...*
