Lisa, Amy, Sarah - What very wonderful memories we have of both your mother and father. Both such handsome, forward looking, joyful and talented friends. We love all of you girls, too, and remember you with such joy. Yours was always such a happy home to visit! Lively, full of energy and happiness. Hartsville days were such good days for us and your parents such good friends. We will forever think of you, your family and be grateful for your friendship - we hold you in our hearts.

We no longer travel, but will be with you in spirit tomorrow.
