“ I was saddened to hear the news about Tracy. She was always so full of life and such a joy to be around. She was one of those remarkable people that have a unique knack for being able to make you smile, even in the worst of situations. I had known of her health problems from as early as I can remember, yet never remember her letting it slow her down. Of all the folks that I went to elementary school with - It was Tracy that no matter how much time had passed since we had last seen each other, she made me feel like we had just talked the week before. You all will be in my thoughts and prayers!##imported-begin##Brian Gandy##imported-end##

“ Dear Jeraldine And Lorraine,  
My heart completely goes out to you both with the loss of your beloved Tracy as I always called her ' my little angel ' she was always so sweet and joyful always laughing and maintained a very strong will through her many different illnesses any type setback etc she always faced it with a positive attitude and I can hardly ever think of her complaining in my opinion. I'll always remember her strong sweet spirit and I've always admired that quality in her and always will. Now she is ' my true angel ' as I know she is with God her King and no longer in any pain. I know she is at peace and that puts my heart at peace because I know that would be how she'd want it. You are both in my thoughts and prayers and I know God is right there with you both and I hope you know I love you both as I did Tracy. Please let me know if there is anything I can possibly do at any time!

To her family, friends and loved ones... I'm not only proud to be related to such a loving list of relatives family and to know friends that felt the same. You are ALL in my thoughts my prayers and may God hold each one of you close during this time of sadness as well as every day forth as I know you shall be doing the same. Much love peace and light I send to you ALL, always!

With Love and Peace,

Joseph##imported-begin##Joseph Elmore, Jr. ##imported-end##
