“ *I'm lost of words.....what am I to do without you? We had our shares of up and downs through our 6years beginning together but I never had to worry I had you to fall back on. You never left my side and I never could leave you, you all I had left! I know you will be with me and Sadie every step we take...maybe not in person but our hearts. I'll never find another or love anybody else like I loved you. I love you Travis Eugene Gaskin forever and always!!*
