“ *I'm so sorry for the passing of Travis. He was a very special person. I've known Travis for many years now. He always kept me laughing at his jokes and when he would tell me to go to his truck and get something, knowing his dog was in there, he would get me every time. I'm gonna miss his coming in the store for his coffee every morning. Rest In Peace Travis, your friend Wanda.*

“ Prayers and kind thoughts are with you all today and the days to follow. Travis, better known to me as "Worm" will be greatly missed. Worm was a joy to be around while working at the "ole Pilot Plant" at Sonoco! He was so funny to listen to his stories and also to let you know he was not taking any junk from no one! There never was a time that Worm did not speak greetings and a kind word to me. Know this family, Pain only last for a little while as Joy comes in the morning.
