“ To the family my heart felt condolences. Ulander was a classmate of mine and one who could light up a room with that big smile. I was so proud not only call him a class mate but a friend. We would always have some kind of fun going on at school in the Vocational buildings. RIP my friend. C/o 83

I truly miss my lil bro. I say my lil bro because I ' m a year older. I ' m sure he will be missed by many who knew him. He was a pleasure to spend time with. He would help anyone if they ask; at least he would try. I did the same for him when he asked me. Well R I P brother with our other 2 lil brothers,mom and dad. 🙏 Not easy driving as I go about my day cause I don't see you waving or yelling for me to stop. I always stop and chat a few minutes. I f I see you first I blow my horn. Miss that already since the God called you home. It's always hard to lose a love one. But you are in a better place. I will never forget you and always love you. I should have said it more but you knew it. Love forever your sister Eureka Smith 💖🥺🥺

“ We were so saddened to hear about Mr. Perry. He always took the time to speak with us as we went to work in the morning. I just spoke with him Thursday and he had his arm raised high to say hello. He worked for my dad on houses as a brick mason and he even helped on my home. Mr. Perry was a hard worker and never complained. He always had a smile on his face and would make you feel better by his smile. Prayers are with the family. May you find comfort in God's great love. Blessings to you all.
